

CULTIVATING A SUSTAINABLE FUTURE

Welcome to our farm, where innovation meets sustainability in Maldives. Our farms at Anhenunfushi and Aidhoo, Baa Atoll, Maldives, redefine agriculture with a commitment to freshness.

OUR PRODUCTS AND SERVICES

Maldivian Mermaid's core product is the produce from its high precision farms. These products include exotic and native vegetables along with fresh leafy greens and salads

Maldivian Mermaid also provides 'Farming As A Service' wherein clients can have contract production of fruits and vegetables customised to their needs.
